# PrintSmart™
TOTAL PRINT MANAGEMENT PROGRAM

REDUCE • AUTOMATE • ORGANIZE

PrintSmart Manager from Copiers Northwest reduces the complexity of monitoring, maintaining, and supplying your fleet of printers and multifunction devices. **PrintSmart Manager** provides the flexibility to manage your entire print environment regardless of brand, with a single tool for control and accountability.
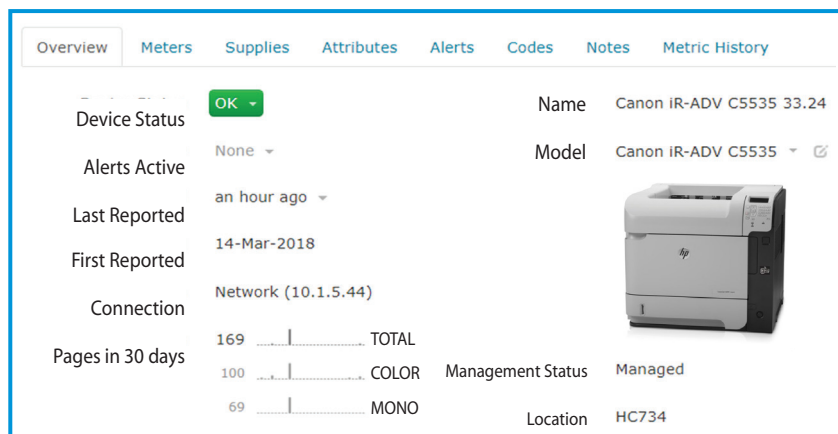

Saves You Time using Automation!

- **Auto meter** reading for easy accurate billing
- **Auto supply** ordering and shipment
- Access to www.printsmartmanager.com
- Error codes sent to Copiers Northwest
